

Tie Dye Cupcakes

Preheat your oven (look on the back of your cake box) Add cupcake liners to muffin pan.

Mix:

1 box white cake mix. Follow the cooking instructions and ingredients on the back of your box. Pour into 4 bowls. Add food coloring to make each bowl a different color. Stir each bowl very well with a separate spoon. Spoon 1 t of the first colored batter to each cupcake liner. Continue to add a spoonful of each color-one color at a time.

Do not stir your colors together. Place muffin pans onto cookie sheets and bake according to cake mix instructions

Let cupcakes cool.

Swirl cupcakes in cool whip container or ice with frosting.

Add sprinkles!
