CARTOONING Drawing Adventures July 22 - 26

This week our themes include: Harry Potter, PokeMon, Mario Brothers, Dino Island and Baby Yoda with Star Wars characters. Each student will design their own character trading cards.

These 3 exciting **Directed Drawing Classes** are taught by professional cartoonists and animators. Have a great time sharpening those fine motor skills while learning the basics of drawing, color and design. Laugh your head off as we draw these fun themes together.
